

# Reception News

## 19<sup>th</sup> June 2026

### What we've been learning recently

**English** – Reception have been busy exploring a range of non-fiction books and thinking about their purpose. As part of our topic, we have been looking at beaches around our coastline, as well as sea creatures and staying safe in the sea. The books have sparked lots of conversations and have allowed the children to discuss their experiences from days out at the beach.

**Maths** – We have spent some time recapping some of our learning, including number bonds to 5 and 10, making doubles and subitising. In the next few weeks, the children will be learning how to share amounts equally, odds and even numbers, as well as positions.

**Wider Curriculum** – We have been discussing beach safety and discussing who and what can keep us safe both on the beach and in the water. We have used resources from the RNLI to help the children spot dangers in the water and have discussed how to get help. The children have been very engaged in this topic, and have been keen to share ideas and experiences from their time at the beach, on coastal walks and in the water.

### Over the next fortnight we will be...

- Continuing to learn about beach and water safety.
- Take part in our Sponsored Walk!
- Looking at ways to help our environment.

### Important Notices

**Outdoor Learning** – The weather continues to be unpredictable, so please send in a coat, a sun hat, plus spare clothes for your child every Friday.

**PE Days** – A quick reminder that our PE day is on a Thursday. Please send your child into school wearing their PE kit.
