

# Year 1 News

## 17<sup>th</sup> October 2025

### What we've been learning recently

**English** – We are using a new book for our learning, “Commotion in the Ocean”, a non-fiction book (we have explored the differences between fiction and non-fiction) which is all about creatures under the sea. Children took part in a hot seating activity, playing the part of a creature whilst the other children gave them questions to answer. We then recorded what we would ask a creature and wrote it as a question sentence, including our question mark at the end.

**Maths** – We are learning about addition and subtraction within 10. We have been using part-whole models to see what numbers (the parts) can make a total (whole). We are now learning our number bonds (the paired numbers that go together) to 10. We played a matching game using numicon and when our partner gave a number, had to find the bond.

**Wider Curriculum** – We completed our Great Fire of London learning, finding out what happened after the fire, becoming architects to design a new Pudding Lane with houses further apart and made from stone and brick. We have been learning about algorithms in computing, ‘programming’ each other to do tasks, ensuring they are in the correct order.

### Over the next fortnight we will be...

- Making fruit smoothies in DT.
- Creating fact files of sea creatures in English.
- Learning to add and subtract with numbers within 10 in maths.
- Learning how to roll in different ways in PE.

### Important Notices

**Parents Consultation Meetings** – Tuesday 21<sup>st</sup> and Wednesday 22<sup>nd</sup> October.

**Year 1 Trip to Wadebridge Library and Cricket Club** – Wednesday 5<sup>th</sup> November. Please see the email for full details, which includes the link to complete consent form.

### Contact details of the Year 1 team
