

# Year 2 News

## 17<sup>th</sup> October 2025

### What we've been learning recently

**English** – We have been writing a persuasive letter! We explored the story The Great Kapok Tree to understand what impact humans have on the rainforest when they chop down trees. We thought about how animals would lose homes and food. This helped us with our emotive language to write a letter as a rainforest animal to tell humans not to destroy the rainforest.

**Maths** – We have been adding and subtracting. Recalling our number bonds from Year 1 has helped us with number bonds to 20 by noticing patterns. This then helped us to make number bonds to 100! We have been adding to make the nearest ten and have begun subtracting across 10s numbers too.

**Wider Curriculum** – In PSHE we have been looking at our learning charter and talking about our rights, roles and responsibilities within the class. We identified we all have a part to play to ensure everyone in our class is happy and safe. We had a fantastic day at Cardinham Woods carrying out our science research and geography fieldwork about habitats too.

### Over the next fortnight we will be...

- Exploring more about habitats around the world.
- More subtracting in maths.
- Consolidating our sounds in phonics.
- Looking at poetry in English.

### Important Notices

**PE Kit** – A reminder that our PE day is on a Tuesday. Please ensure your child wears their full PE kit on these days.

**Rhino Readers** – Please get in touch if you are having any difficulty accessing your child's e-book.

**Library** - We visit our school library each Friday. Make sure your child brings their book back each week to change.

### Contact details of the Year 2 team
