

Year 3 News

21st November 2025

What we've been learning recently

English – This week we have been writing up our own versions of 'The Stone Trolls'. We have followed the original story structure but added in our own details, including sentence styles such as 2A sentences, 3 'ed' verb opener and a focus on our use of fronted adverbials. We will be writing and typing these stories to go in our 'Star Writer Books' before Christmas.

Maths – This week we have been finding bonds to 100, solving problems linked to addition and subtraction, and using written methods to calculate. Many children have made good progress with learning their times tables; please keep up the good work with these.

Wider Curriculum – This week we finished our science topic on forces, which we all really enjoyed! Over the next two weeks, we are starting our new DT topic on 'Wearable Technology.' We will design and code our own product and use micro: bits. On Wednesday, we took the children to the secondary school to take part in a Multi Skills event. The children really enjoyed it!

Over the next fortnight we will be...

- In English we will be doing some creative writing and beginning our new unit around Winter themed poetry.
- In maths, we will be starting to look at methods for multiplication and division.
- Complete our Termly PIRA and PUMA Maths and Reading assessments
- In PE, we will be continuing with basketball and dodgeball.
- In Wider Curriculum, we will be continuing our DT project about wearable technology.

Important Notices

PE Kit – Reminder that our PE day is a Thursday. We will be working with DT sports doing basketball and dodgeball.

Reading Books – Reading book and library book changeover is a Thursday. Please can books be brought in on this day.

Year 3 Stay and Learn – On Friday 28th November it is our Year 3 Stay and Learn. The event is taking place in the hall and will have a maths theme. We look forward to seeing many of you there. Doors open at 8.45am.

Shining Stars

Congratulations to our Shining Stars for showing kindness (Week 1) and Marvellous Maths (Week 2)

3B – Jasper, Oliver (W1) Lucas, Harry OD (W2)

3W – Kitty, Toby (W1) Ruben, Ruan (W2)
