

Year 3 News

5th December 2025

What we've been learning recently

English – This week we have started our new unit around winter themed poetry. The children have been looking at a variety of shape poems and key features such as similes, alliteration and metaphors.

Maths – This week we have been using our multiplication facts of the different times tables. We have been using arrays to help us understand multiplications and inverse operations. The focus timetables for this week have been the 3 and 4 times tables.

Wider Curriculum – This week we have started our new DT topic - pneumatic devices. We have been looking at input forces and output forces and how this can be used to make toys. We have also been practicing how to draw diagrams.

Over the next fortnight we will be...

- In English, we will be writing our own winter themed poetry.
- In maths, we will be continuing to understand methods for multiplication and division.
- In Wider Curriculum we will be continuing our DT project about pneumatic toys.

Important Notices

PE Kit – Reminder that our PE day is a Thursday. We will be working with DT sports doing Basketball and Dodgeball!

Reading Books – Reading book and Library book changeover is a Thursday. Please can books be brought in on this day.

Wednesday 10th December – On Wednesday 10th December it is our annual Christmas Jumper Day as well as our Charity Fun run and Christmas dinner day.
