

# Year 5 News

## 4<sup>th</sup> June 2026

### What we've been learning recently

**Maths** – We have finished our unit on position and direction. The pupils have done really well with co-ordinates and grid references – we would like to see them use these skills in the real world!

**Science** – The children have enjoyed looking at the different lengths of gestation in the animal kingdom. They have also learned about the stages of pregnancy and how a fetus grows in the womb.

**English** – We have finished our Myths and Legends unit, using the text 'Podkin One-Ear' – the pupils re-wrote a chapter from the book from a different character perspective. The level of language devices used was impressive.

**RE** – The children are enjoying our Hindu unit and how the religion has many gods and goddesses.

### Over the next fortnight we will be...

- Delving deeper into our English unit about characterising speech (Raysha vs. Aashman).
- Starting our Decimals unit in Maths.
- For RE we are continuing to explore the Hindu religion.
- Science – Looking into changes (puberty).
- PHSE – Starting our unit on 'Changing Me'.

### Important Notices

**Music** – Through Cornwall Music Trust, Year 5 will be receiving a few Brass lessons every Thursday morning for 6 weeks - Instruments provided.

**PE Day** – Changed to Thursdays – please ensure correct PE kit.

**TTRS and Reading** – Please continue to access TTRS at home and work on your child's heatmap. Please encourage your child to read every evening for at least 10 minutes.

### Contact details of the Year 5 team

**5B – Luke O'Dwyer**
