

Year 5 News

19th June 2026

What we've been learning recently

Maths – We are nearly finished with our unit on decimals. This week we have been multiplying and dividing decimals by 10, 100 and 1000.

Geography – The children have been learning about the features of deserts, in particular the Mojave desert and Death Valley. They were intrigued by Mushroom Rocks created by sand storms and erosion.

English – We are exploring characterising speech and ensuring our punctuation is spot on! We have been extending our writing by using adverbials of manner as well as subordinating conjunctions.

Music – Mr Vincent has been working wonders with Year 5! They are loving their brass instrument lessons!

Over the next fortnight we will be...

- Starting our English unit – Harry Potter!
- Starting our converting units unit in Maths.
- Music – learning simple songs on our brass instruments.
- PHSE – Continuing our unit on 'Changing Me'.

Important Notices

PE Day – Changed to Thursdays – **Please ensure they wear the correct PE kit.**

TTRS and Reading – Please continue to access TTRS at home and work on your child's heatmap. Also, please encourage your child to read every evening for at least 10 minutes.
