

What are we learning in Year 6 this half term?

Autumn Term One 2026

Dear Parents/Carers and children,

Welcome back after the Summer break. We are looking forward to seeing the children and hope they have all had a good Summer.

This half term our Geography Topic is: Population

All of the Geography work that we do during this half term will link to our topic question:
Why does population change?

We will be finding out about how the global population is changing, what birth and death rates are, why people migrate and how climate change is impacting the population.

Our Art and Design unit will involve use expressing ideas through drawing. We will be learning about what street art is and how artists use one-point perspective and how to scale up our drawings. We will also be planning and creating our own street-art-inspired piece around the topic of Climate Change.

In English this half term we will be completing a non-chronological unit all about rainforest creatures. We will learn and recap the different language features of this genre as well as their presentational features before planning and writing our own non-chronological reports.

Our Science focus this half term will be 'looking after our environment'. We will learn more about Climate Change, explore ways to reduce the amount of rubbish being sent to landfill and ways to reduce energy consumption. We will also explore how climate change affects our planet and the things that can be done to reduce its impact.

Our other wider curriculum subjects this half term

PE - the children will be completing a dance unit,

RE - we will be learning about how Christians live,

PSHE - our unit is all about 'being me',

French - the children will learn the names for family members in French

Computing - we will be learning more about online safety.

Any questions or concerns please do not hesitate to come and find me at the end of the school day or message me via my email address, mwright@coppervalleyacademy.co.uk

Kind regards

The Year 6 teaching Team

Mrs Wright and Miss Jenkins
